FROM THE CHAIRMAN

Dear Shareholders,

I hope you and your family members are all safe and have managed to pass through the stressful phase of COVID-19. The entire world has faced the impact of this unprecedented Pandemic and suffered losses. The global economy has been significantly impacted due to lockdown for a long period, closure of businesses and travel restrictions imposed by Government to contain spread of COVID-19. This has also resulted in disruption of production cycle, supply chain, customer demand, payment obligations etc. Just as everyone is aware, the market conditions continue to be tough around globe. With high inflation, the costs continue to grow whereas the poor economic conditions make it difficult to pass the costs to the clients who are themselves facing difficult times. In times like this, one needs to have ability to sustain and that is what we have.

We remain indebted to the generous guidance and support of our partners, clients, co-founders and governments of the several countries and states that we operate in. And I am grateful to you, our shareholders, clients, employees and well-wishers for your continued trust in us.

I would like to cordially invite to all the shareholders of the Company to attend the 28th Annual General Meeting of the Company (AGM) on Wednesday, 29th Day of September at 11.30 A.M through Video Conferencing (VC) / Other Audio Visual Means (OAVM).

Independent Auditor's Report

To the Members of
FCS Software Solutions Limited

Report on Audit of the Consolidated Financial Statements

OPINION

We have audited the accompanying Consolidated Financial Statements of **FCS Software Solutions Limited** (hereinafter referred to as "the Holding Company"), its subsidiaries, listed in Annexure I (the Holding Company and its subsidiaries together referred to as "the Group") and its associate, listed in Annexure I, comprising of the consolidated Balance sheet as at March 31, 2021, the consolidated Statement of Profit and Loss, including other comprehensive income, the consolidated Cash Flow Statement and the consolidated Statement of Changes in Equity for the year then ended, and notes to the Consolidated Financial Statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiaries and associates, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its associates as at March 31, 2021, their consolidated loss including other comprehensive income, their consolidated cash flows and the consolidated statement of changes in equity for the year ended on that date.

BASIS FOR OPINION

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the consolidated financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there-under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Emphasis of Matter

- (i) We draw your attention to Note no 1.25 of consolidated financial statements as at March 31, 2021, wherein the Holding Company has transferred all the shares held in wholly owned subsidiaries namely Innova e Services Private Limited, cGain Analytics Private Limited and Zero Time Constructions Private Limited at a loss of Rs 1255.73 lakhs and the impact of the same has been covered under the heading Exceptional Items in the consolidated Statement of Profit and Loss for the year then ended.
- (ii) We draw your attention to Note no 1.29 of consolidated financial statements as at March 31, 2021, which describes that there is no significant impact of the outbreak of Corona virus (COVID-19) on the business operations of the Company. In view of the highly uncertain economic environment, a definitive assessment, of the impact on the subsequent periods is highly dependent upon circumstances as they evolve

Our opinion is not modified in respect of this matter.

KEY AUDIT MATTERS

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the

context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the Key Audit Matters to be communicated:-

S.No.	The key audit matters	How our audit addressed the key audit matter
1.	<p>Fair Valuation of Investments</p> <p>As at March 31, 2021, the Company has investments of Rs 8,818.16 Lakhs in the Equity and Preference Shares of various companies (Ref Note No.5 of Consolidated Financial Statements) which are measured at fair value as per Ind AS 109 read with Ind AS 113. These investments are Level 3 investments as per the fair value hierarchy in Ind AS 113 and accordingly determination of fair value is based on a high degree of judgment and input from data that is not directly observable in the market. Accordingly, the same has been considered as a key audit matter</p>	<p>Our audit procedures included and were not limited to the following:</p> <ul style="list-style-type: none"> • Reviewed the fair valuation reports provided by the management by involvement of external valuation experts. • We assessed the assumptions around the discount rates, expected growth rates and its effect on business and terminal growth rates used through involvement of the internal/external experts. • We also involved internal experts to assess the Company's valuation methodology and assumptions, applied in determining the fair value. • Assessed the objectivity and competence of Company's internal / external specialists involved in the process. • Reviewed the disclosures made by the Company in the financial statements

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's management and Board of Directors is responsible for the other information. The other information comprises the information included in the Holding Company's Annual Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with governance for the Consolidated Financial Statements

The holding company's management and Board of Directors are responsible for preparation and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated state of affairs, consolidated loss and other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. The respective management and Board of Directors of the entities included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of each entity and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error which have been used for the purpose of

preparation of the consolidated financial statements by the management and Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective management and Board and Directors of the entities included in the Group are responsible for assessing the ability of each entity to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless respective management and Board of Directors either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the entities included in the Group are responsible for overseeing the financial reporting process of each entity.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the entity has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and Board of Directors of the Holding Company.
- Conclude on the appropriateness of management's and Board of Directors of the Holding Company use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of such entities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of the entities included in the consolidated financial statements. We remain solely responsible for our audit opinion

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements

We communicate with those charged with governance of the holding company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including

any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Annexure A to the Independent Auditor's Report on the consolidated financial statements of FCS Software Solutions Limited

Report on the Internal Financial Controls with reference to the aforesaid consolidated financial statements under Clause (i) of Sub-sec on 3 of Sec on 143 of the Companies Act, 2013 ("the Act")

(Referred to in Para 1(f) under the heading 'Report on other Legal and Regulatory Requirements' of our report of even date)

Opinion

In conjunction with our audit of the consolidated financial statements of FCS Software Solutions Limited ("the Holding Company") as of 31st March 2021, we have audited the internal financial controls with reference to the consolidated financial statements of the Holding Company and such companies incorporated in India under the Companies Act, 2013 which are its subsidiary companies, as of that date.

In our opinion and to the best of our information and according to the explanations given to us, the Holding Company and such companies incorporated in India which are its subsidiary companies, have adequate internal financial controls with reference to consolidated financial statements and such internal financial controls were operating effectively as at 31st March, 2021, based on the internal financial controls with reference to consolidated financial statements criteria established by such companies considering the essential components of such internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's Responsibility for Internal Financial Controls

The respective company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls with reference to consolidated financial statements based on the criteria established by the respective company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act").

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to consolidated financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements were established and maintained if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedure selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to consolidated financial statements.

Meaning of Internal Financial Controls with reference to consolidated financial statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's

internal financial controls with reference to financial statements include those policies and procedures that:-

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls with reference to Consolidated Financial statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

1. COMPANY OVERVIEW AND SIGNIFICANT ACCOUNTING POLICIES

1.1 Company Overview:

FCS Software Solutions Limited ('FCS' or 'the company' or 'the holding company') was incorporated on 5th May, 1993. The company is listed on two stock exchanges in India namely National Stock Exchange of India Limited ("NSE") and BSE Limited ("BSE").

The Company has its wholly owned subsidiaries in Germany, UAE and India (the company and its subsidiaries constitute 'the group'). The group business consists of software development and marketing and providing support services mainly for corporate business entities in the BPO, software development, e-learning service and other related Information Technology Enabled Services. The company also carries business of leasing or letting out all kind of immovable property including IT Infrastructural property whether freehold, leasehold to any type of person.

1.2 Basis of preparation of financial statements

These consolidated financial statements are prepared in accordance with the Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis, except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ("the Act") (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter.

Effective April 1, 2016, the Group has adopted all the Ind AS standards and the adoption was carried out in accordance with Ind AS 101, *First-time adoption of Indian Accounting Standards*, with April 1, 2015 as the transition date. The transition was carried out from Indian Accounting Principles generally accepted in India as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules,

2014 (IGAAP), which was the previous GAAP.

Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

As the year-end figures are rounded to the nearest lakhs. The figures reported for the previous quarters might not always add up to the year-end figures reported in this statement.

1.3 Basis of consolidation

FCS consolidates entities which it owns or controls. The consolidated financial statements comprise the financial statements of the Company, its controlled entities and its subsidiaries which are as follows;

Name of the Company	% Sharehold-ings 31.03.2021	% Sharehold-ings 31.03.2020	Country of Incorporation
FCS Software Middle East FZE	100	100	UAE
FCS Software Solutions GmbH	100	100	Germany
Insync Business Solutions Limited	100	100	India
Stablesecure Infraservices Pvt. Ltd.	100	100	India

The Consolidated Financial statements also comprise the following associate companies;

Name of the Company	% Shareholdings 31.03.2021	% Shareholdings 31.03.2020	Country of Incorporation
Enstaserv Eservices Ltd.	48.94	48.94	India

Control exists when the parent has power over the entity, from its involvement with the entity and has the ability to affect those returns by using its power over the entity. Subsidiaries are consolidated from the date control commences until the date control ceases.

The financial statements of the group companies are consolidated on a line-by-line basis and intra-group balances and transactions, including unrealized gain / loss from such transactions, are eliminated upon consolidation. These financial statements are prepared by applying uniform accounting policies in use at the Group. Non-controlling interests which represent part of the net profit or loss and net assets of subsidiaries that are not, directly or indirectly, owned or controlled by the Company, are excluded.

Associates are entities over which the company has significant influence but not control. Investments in associates are accounted for using the equity method of accounting. The investment is initially recognised at cost and carrying amount is increased or decreased to recognize the investor's share of profit or loss of the investee after the acquisition date. The group investment in associates includes goodwill identified on acquisition.

Further, Management account of FCS Software Solutions GmbH & FCS Software Middle East FZE and audited Financial Statements of Indian Subsidiaries and one associate Company namely Enstaserv Eservices Ltd. is considered for the consolidation of financial statements.

1.4 Use of estimates

The preparation of the financial statements in conformity with Ind AS requires the management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the consolidated financial statements.

1.5 Recent Accounting Pronouncements

Ind AS 116, LEASES:

On March 30, 2019, the Ministry of Corporate Affairs has notified Ind AS 116, LEASES. Ind AS 116 will replace the existing leases standard, Ind AS 17, LEASES, and related interpretations. The standard sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract i.e., the lessee and the lessor. Ind AS 116 introduces a single lessee accounting model and requires the lessee to recognize assets and liabilities for all leases with a term of more than twelve months, unless the underlying asset is of low value. Ind AS 116 substantially carries forward the lessor accounting requirements in Ind AS 17.

The effective date for the adoption of Ind AS 116 is annual periods beginning on or after April 1, 2019. The standard permits two possible methods of transition:

- Full retrospective – Retrospectively to each prior period presented applying Ind AS 8, Accounting Policies, Changes in Accounting Estimates and Errors

- Modified retrospective – Retrospectively, with the cumulative effect of initially applying the standard recognized at the date of initial application

Under modified retrospective approach, the lessee records the lease liability as the present value of the remaining lease payments, discounted at the incremental borrowing rate and the right of use asset either as :

- Its carrying amount as if the standard had been applied since the commencement date, but discounted at the lessee’s incremental borrowing rate at the date of initial application, or Effective date for application of this amendment is annual period beginning on or after April 1, 2019. The Company is currently evaluating the effect of this amendment on the standalone financial statements

Amendment to Ind AS 19, plan amendment, curtailment or settlement:

On March 30, 2019, the Ministry of Corporate Affairs issued amendments to Ind AS 19, Employee Benefits, in connection with accounting for plan amendments, curtailments and settlements.

The amendments require an entity:

- To use updated assumptions to determine current service cost and net interest for the remainder of the period after a plan amendment, curtailment or settlement; and
- To recognize in profit or loss as part of past service cost, or a gain or loss on settlement, any reduction in a surplus, even if that surplus was not previously recognized because of the impact of the asset ceiling.

Effective date for application of this amendment is annual period beginning on or after April 1, 2019. The Company does not have any impact on account of this amendment.

1.6 Revenue recognition

Revenue from IT Enabled Service including software development services and other projects on time-and material basis is recognized based on service rendered and billed to clients as per the terms of specific contracts. In the case of fixed-price contracts, revenue is recognized based on the milestones achieved, as specified in the contracts, on a percentage of completion basis.

Advance received for services and products are reported as client deposits until all conditions for revenue recognition are met.

The company presents revenues net of indirect taxes in its Statement of Profit & Loss Account.

Revenue from operation for the year ended March 31, 2021 and March 31, 2020 is as follows:

(Rs Lakhs)

S.No.	Particulars	March 31, 2021	March 31, 2020
1	Revenue from IT & ITES	2,665.54	2,904.50
2	Revenue from Renting of Property	740.33	828.61
	Total Revenue For Operations	3405.87	3733.11

1.7 Property, plant and equipment

Property, plant and equipment are stated at cost of acquisition including incidental costs related to acquisition and installation less accumulated depreciation and impairment loss, if any. All direct costs are capitalized till the assets are ready to be put to use. Fixed assets under construction, advances paid towards acquisition of fixed assets and cost of assets not put to use before the period/year end, are disclosed as capital work in progress. The Group depreciates property, plant and equipment over their estimated useful lives using the written down value method.

Fixed Assets	Useful life of Assets	Useful life as per companies act
Buildings	70 Years	60 Years
Office equipment	8 Years	5 Years
Computer equipment	3 Years	3 Years
Furniture and fixtures	14 Years	10 Years
Vehicles	6 Years	6 Years
Servers and networks	8 Years	6 Years

1.8 Goodwill

Accounting Policy

Goodwill represents the investments in excess of the Group's interest in the net fair value of identifiable assets, liabilities and contingent liabilities as the case may be. Goodwill is measured at cost less accumulated impairment losses.

1.9 Intangible assets

1.9.1 Accounting Policy

Intangible assets comprising of Software Application licenses & rights are stated at cost less accumulated amortization and impairment. Intangible fixed assets are capitalized where they are expected to provide future enduring economic benefits. Capitalization costs include license fees and cost of implementation/system integration services. The costs are capitalized in the year in which the software is fully implemented for use. Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, from the date that they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition, and other economic factors (such as the stability of the industry, and known technological advances). Amortization methods and useful lives are reviewed periodically including at each financial year end.

Research costs are expensed as incurred. Software product development costs are expensed as incurred unless technical and commercial feasibility of the project is demonstrated, future economic benefits are probable, the Company has an intention and ability to complete and use or sell the software and the costs can be measured reliably. The costs which can be capitalized include the cost of material, direct labour, overhead costs that are directly attributable to preparing the asset for its intended use.

1.9.2 Impairment

Intangible assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e the higher of the fair value less cost to sell and the value in use) is determined on an individual assets basis unless the asset does not generate cash flows that are largely independent of those from other assets.

1.10 Financial Instruments

1.10.1 Initial recognition

The Group recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial

liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

The Company derecognises a financial asset only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired.

1.10.2 Subsequent measurement

a. *Non-derivative financial instruments*

(i) *Financial assets carried at amortized cost*

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows.

(ii) *Financial assets at fair value through other comprehensive income (FVOCI)*

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by collecting contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows. Investments which are classified as financial asset, the subsequent changes in fair value are recognized through other comprehensive income (OCI).

(iii) *Financial assets at fair value through profit or loss*

A financial asset which is not classified in any of the above categories is subsequently fair valued through profit or loss.

(iv) *Financial liabilities*

Financial liabilities are subsequently carried at amortized cost which is subsequently measured at fair value through profit and loss. For trade and other payables maturing within one year from the Balance Sheet date are carried at carrying amounts.

b. *Derivative financial instruments*

The Group does not holds any derivative financial instruments such as foreign exchange forward and options contracts to mitigate the risk of changes in exchange rates on foreign currency exposures.

1.10.3 De-recognition of financial instruments

The Group derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or become non recoverable and are qualifies for de-recognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Group's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

1.11 Segment Reporting

Operating segments are defined as components of an enterprise for which discrete financial information is available that is evaluated regularly by the chief operating decision maker, in deciding how to allocate resources and assessing performance.

The Company has identified two main Geographical Segments as reportable segments. The business segments comprise:

1. INDIA Segment
2. USA Segment

The Profit and Loss for reportable Primary Segment is set out below:-

For the Year Ended 31st March 2021

(Rs Lakhs)

Description	India	USA	Total
Year ended March 31, 2021			
Revenue	1707.93	1697.94	3405.87
Expenses	1032.44	1026.40	2058.84
Segment result	675.49	671.54	1347.03
Un-allocable expenses			2774.14
Operating income			(1427.11)
Other income (net)			269.70
Profit before tax			(1157.41)

For the Year Ended 31st March, 2020

(Rs Lakhs)

Description	India	USA	Total
Year ended March 31, 2020			
Revenue	1645.92	2087.19	3733.11
Expenses	885.72	1123.19	2008.91
Segment result	760.19	964.00	1724.20
Un-allocable expenses			4364.20
Operating income			(2640.01)
Other income (net)			341.39
Profit before tax			(2298.62)

Revenue and expenses directly attributable to segments are reported under each reportable segment. Expenses which are not directly identifiable to each reporting segment have been allocated on the basis of associated revenue of the segment and manpower efforts. All other expenses which are not attributable or allocable to segments have been disclosed as un-allocable expenses.

1.12 Impairment

Property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the CGU to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the Consolidated Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the Consolidated Statement of Profit and Loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated depreciation) had no impairment loss been recognized for the asset in prior years.

1.13 Provisions and contingent liabilities

The Group estimates the provisions that have present obligations as a result of past events and it is probable that outflow of resources will be required to settle the obligations. These provisions are reviewed at the end of each reporting date and are adjusted to reflect the current best estimates. The Group uses significant judgement to disclose contingent liabilities. Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. Contingent assets are neither recognised nor disclosed in the financial statements.

1.14 Functional & Foreign currency

Functional currency

The presentation currency of the group is Indian rupee. The functional currency of FCS Software Solutions Limited, Insync Business Solutions Limited, , Stablesecure Infraservices Pvt. Ltd. and Enstaserv Eservices Ltd. is the Indian rupee. The functional currencies for FCS Software Solutions GmbH and FCS Software Middle East FZE are the respective local currencies. These financial statements are presented in Indian rupees.

Transactions and translations

Foreign-currency-denominated monetary assets and liabilities are translated into the relevant functional currency at exchange rates in effect at the Balance Sheet date. The gains or losses resulting from such translations are included in net profit in the Statement of Profit and Loss. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of the Balance sheet.

Transaction gains or losses realized upon settlement of foreign currency transactions are included in determining net profit for the period in which the transaction is settled. Revenue, expense and cash-flow items denominated in foreign currencies are translated into the relevant functional currencies using the exchange rate in effect on the date of the transaction.

The translation of financial statements of the foreign subsidiaries to the presentation currency is performed for assets and liabilities using the exchange rate in effect at the Balance Sheet date and for revenue, expense and cash-flow items using the average exchange rate for the respective periods. The gains or losses resulting from such translation are included in currency translation reserves under other components of equity. When a foreign operation is disposed off in its entirety or partially such that control, significant influence or joint control is lost, the cumulative amount of exchange differences related to that foreign operation recognised in OCI is reclassified to statement of profit and loss as part of the gain or loss on disposal.

1.15 Income Taxes

Income tax expense comprises current and deferred income tax. Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date. Deferred income tax assets and liabilities are recognized for all temporary timing differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be

available against which the deductible temporary differences and tax losses can be utilized. The Group offsets current tax assets and current tax liabilities on net basis, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

1.16 Employee benefits

1.16.1 Gratuity

The Group provides for gratuity, a defined benefit retirement plan ('the Gratuity Plan') covering eligible employees of FCS. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment with the Group.

The Group recognizes the net obligation of a defined benefit plan in its Balance Sheet as an asset or liability. Gains and losses through re-measurements of the net defined benefit liability / (asset) are recognized in other comprehensive income. The effect of any plan amendments is recognized in net profits in the Statement of Profit and Loss.

1.16.2 Provident fund

Eligible employees of the group receive benefits from a provident fund, which is a defined benefit plan. Both the eligible employee and the Company make monthly contributions to the provident fund plan equal to a specified percentage of the covered employee's salary. Amounts collected under the provident fund plan are deposited in a government administered provident fund. The companies have no further obligation to the plan beyond its monthly contributions.

1.16.3 Compensated absences

The Group has a policy on compensated absences which are both accumulating and non-accumulating in nature. The expected cost of accumulating compensated absences is determined by actuarial valuation performed by an independent actuary at each Balance Sheet date using projected unit credit method on the additional amount expected to be paid / availed as a result of the unused entitlement that has accumulated at the Balance Sheet date.

1.17 Cash flow statement

Cash flows are reported using the indirect method, whereby profit/(loss) for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the group are segregated.

Amendment to Ind AS 7:

Effective April 1, 2017, the Company adopted the amendment to Ind AS 7, which require the entities to provide disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the Balance Sheet for liabilities arising from financing activities, to meet the disclosure requirement. The adoption of the amendment did not have any material impact on the financial statements.

1.18 Impairment of non-financial assets

The carrying amounts of the Company's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment considering the provisions of Ind AS

36 'Impairment of Assets'. If any such indication exists, then the asset's recoverable amount is estimated.

The recoverable amount of an asset or cash-generating unit is the higher of its fair value less costs to disposal and its value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. For the purpose of impairment testing, assets that cannot be tested individually are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets (the "cash-generating unit", or "CGU").

An impairment loss is recognized if the carrying amount of an asset or its CGU exceeds its estimated recoverable amount. Impairment losses are recognized in profit or loss. Impairment losses recognized in respect of CGUs are reduced from the carrying amounts of the assets of the CGU.

Impairment losses recognized in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized.

1.19 Other income

Other income is comprised primarily of interest income. Interest income is accounted for on accrual basis.

1.20 Related Party Transactions:

FCS Software Solutions Limited's principal related parties consist of its own subsidiaries, associates and key managerial personnel. The Group's material related party transactions and outstanding balances are with related parties with whom the Group routinely enter into transactions in the ordinary course of business. Refer note 1.3 for list of subsidiaries and associates of the Company.

Transactions and balances with its own subsidiaries are eliminated on consolidation

Independent Auditor's Report

To the Members of

FCS Software Solutions Limited

Report on Audit of the Standalone Financial Statements

OPINION

We have audited the accompanying Standalone Financial Statements of **FCS Software Solutions Limited** ("the Company"), which comprise the balance sheet as at 31st March, 2021 and the statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity, the Statement of Cash Flows for the year then ended, and notes to the Standalone Financial Statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the company as at 31st March, 2021, and its loss including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

BASIS FOR OPINION

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there-under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Emphasis of Matter

- (i) We draw your attention to Note no 1.24 of Standalone Financial Statements as at 31st March, 2021, wherein the Company has transferred all the shares held in wholly owned subsidiaries namely Innova e Services Private Limited, cGain Analytics Private Limited and Zero Time Constructions Private Limited at a loss of Rs 1255.73 lakhs and the impact of the same has been reported under the heading Exceptional Items in the Statement of Profit and Loss for the year then ended.
- (ii) We draw your attention to Note no 1.26 of Standalone Financial Statements as at 31st March, 2021, which describes that there is no significant impact of the outbreak of Corona virus (COVID-19) on the business operations of the Company. In view of the highly uncertain economic environment, a definitive assessment, of the impact on the subsequent periods is highly dependent upon circumstances as they evolve

Our opinion is not modified in respect of this matter.

KEY AUDIT MATTERS

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the Key Audit Matters to be communicated:-

S.No.	The key audit matters	How our audit addressed the key audit matter
1.	<p>Fair Valuation of Investments</p> <p>As at March 31, 2021, the Company has investments of Rs 10,271.91 Lakhs in the Equity and Preference Shares of various companies (Ref Note No.5 of Standalone Financial Statements) which are measured at fair value as per Ind AS 109 read with Ind AS 113. These investments are Level 3 investments as per the fair value hierarchy in Ind AS 113 and accordingly determination of fair value is based on a high degree of judgment and input from data that is not directly observable in the market. Accordingly, the same has been considered as a key audit matter</p>	<p>Our audit procedures included and were not limited to the following:</p> <ul style="list-style-type: none"> • Reviewed the fair valuation reports provided by the management by involvement of external valuation experts. • We assessed the assumptions around the discount rates, expected growth rates and its effect on business and terminal growth rates used through involvement of the internal/external experts. • We also involved internal experts to assess the Company's valuation methodology and assumptions, applied in determining the fair value. • Assessed the objectivity and competence of Company's internal / external specialists involved in the process. • Reviewed the disclosures made by the Company in the financial statements

INFORMATION OTHER THAN THE STANDALONE FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

The Company's management and Board of Directors is responsible for the other information. The other information comprises the information included in the Company's annual report but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind As) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management and Board and Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatement in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonable knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) Planning the scope of our audit work and in evaluating the results of our work: and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss (including other comprehensive income), Standalone Statement of changes of Equity and the standalone statement of Cash Flow dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act.
 - e) On the basis of the written representation received from the directors as on 31st March, 2021 taken on record by the board of directors, none of directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Sub-section 2 of Section 164 of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations as at 31st March 2021 on its financial position in its standalone financial statements. Refer Note 1.23 to the standalone financial statements;
 - ii. The company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses;

Annexure B to the Independent Auditor's Report on the financial statements of FCS Software Solutions Limited

Report on the Internal Financial Controls with reference to the aforesaid financial statements under Clause (i) of Sub-sec on 3 of Sec on 143 of the Companies Act, 2013 ("the Act")

(Referred to in Para 2(f) under the heading 'Report on other Legal and Regulatory Requirements' of our report of even date)

Opinion

We have audited the internal financial controls with reference to the financial statements of FCS Software Solutions Limited ("the Company") as of 31st March, 2021 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

In our opinion the Company has, in all material respects, an adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31st March, 2021, based on the internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's Responsibility for Internal Financial Controls

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act").

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to standalone financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedure selected depends on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to standalone financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial

statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that:-

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Financial statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES TO STANDALONE FINANCIAL STATEMENTS

1. COMPANY OVERVIEW AND SIGNIFICANT ACCOUNTING POLICIES

1.1 Company Overview:

FCS Software Solutions Limited ('the company') was incorporated on 5th May, 1993 in India. The company is listed on two stock exchanges in India namely National Stock Exchange of India Limited ("NSE") and BSE Limited ("BSE").

The Company has its wholly owned subsidiaries in Germany, UAE and India (the company and its subsidiaries constitute 'the group'). The company business consists of software development and marketing and providing support services mainly for corporate business entities in the BPO, software development, e-learning service and other related Information Technology Enabled Services. The company also carries business of leasing or letting out all kind of immovable property including IT Infrastructural property whether freehold, leasehold to any type of person.

1.2 Basis of preparation of financial statements

These financial statements are prepared in accordance with the Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis, except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ('the Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the relevant amendment rules issued thereafter.

Effective April 1, 2016, the Company has adopted all the Ind AS standards and the adoption was carried out in accordance with Ind AS 101, *First Time Adoption of Indian Accounting Standards*, with April 1, 2015 as the transition date. The transition was carried out from Indian Accounting Principles generally accepted in India as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (IGAAP), which was the previous GAAP.

Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

As the year-end figures are rounded to the nearest lakhs, the figures reported for the previous quarters might not always add up to the year-end figures reported in this statement.

1.3 Use of estimates

The preparation of the financial statements in conformity with Ind AS requires the management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

1.4 Revenue recognition

Revenue from IT Enabled Service including software development services and other projects on as time-and material basis is recognized based on service rendered and billed to clients as per the terms of specific contracts. In the case of fixed-price contracts, revenue is recognized based

on the milestones achieved, as specified in the contracts, on a percentage of completion basis. Rental Income comprising of rent and other related services from operating lease is recognized in the Statement of Profit and Loss on accrual basis.

Advance received for services and products are reported as client deposits until all conditions for revenue recognition are met.

The company presents revenues net of indirect taxes in its Statement of Profit & Loss Account.

Revenue from operation for the Period ended March 31, 2021 and year ended March 31, 2020 is as follows:

S. No.	Particulars	March 31, 2021	March 31, 2020
1	Revenue from IT & ITES	2610.89	2,844.27
2	Revenue from Renting of Property	755.93	844.21
	Total Revenue For Operations	3366.82	3,688.48

1.5 Property, plant and equipment

Property, plant and equipment are stated at cost of acquisition including incidental costs related to acquisition and installation less accumulated depreciation and impairment loss, if any. All direct costs are capitalized till the assets are ready to be put to use. Fixed assets under construction, advances paid towards acquisition of fixed assets and cost of assets not put to use before the period/year end, are disclosed as capital work in progress. The company depreciates property, plant and equipment over their estimated useful lives using the written down value method. The estimated useful lives of assets are as follows:

<u>Fixed Assets</u>	<u>Useful life of Assets</u>	<u>Useful life as per companies act</u>
Buildings	70 Years	60 Years
Office equipment	8 Years	5 Years
Computer equipment	3 Years	3 Years
Furniture and fixtures	14 Years	10 Years
Vehicles	6 Years	6 Years
Servers and networks	8 Years	6 Years

1.6 Financial Instruments

1.6.1 Initial recognition

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

The Company derecognises a financial asset only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired.

1.6.2 Subsequent measurement

a. Non-derivative financial instruments

(i) Financial assets carried at amortized cost

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows.

(ii) Financial assets at fair value through other comprehensive income (FVOCI)

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by collecting contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows. Investments which are classified as financial asset, the subsequent changes in fair value are recognized through other comprehensive income (OCI).

(iii) Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories is subsequently fair valued through profit or loss.

(iv) Financial liabilities

Financial liabilities are subsequently carried at amortized cost which is subsequently measured at fair value through profit and loss. For trade and other payables maturing within one year from the Balance Sheet date are carried at carrying amounts.

(v) Investment in subsidiaries

Investments in subsidiaries are carried at cost as per Ind AS 27 "Separate Financial Statements". However the provision for impairment on these investments is recognised as per the valuation report taken from the registered valuer as prescribed u/s 247 of The Companies Act, 2013 read with Companies (Registered Valuers & Valuation) Rules 2018 is considered in compliance of the provisions of Companies Act, 2013.

b. Derivative financial instruments

The Company does not holds any derivative financial instruments such as foreign exchange forward and options contracts to mitigate the risk of changes in exchange rates on foreign currency exposures.

1.6.3 De-recognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or become non recoverable and are qualifies for de-recognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Group's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

1.7 Intangible assets

1.7.1 Accounting Policy

Intangible fixed assets comprising of computer servers and networks, are stated at cost of acquisition less accumulated amortization and impairment loss, if any. Intangible fixed assets are capitalized where they are expected to provide future enduring economic benefits. Capitalization costs include license fees and cost of implementation/system integration services. The costs are capitalized in the year in which the software is fully implemented for use. Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, from the date that they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition, and other economic factors (such as the stability of the industry, and known technological advances). Amortization methods and useful lives are reviewed periodically including at each financial year end.

Research costs are expensed as incurred. Software product development costs are expensed as incurred unless technical and commercial feasibility of the project is demonstrated, future economic benefits are probable, the Company has an intention and ability to complete and use or sell the software and the costs can be measured reliably. The costs which can be capitalized include the cost of material, direct labour, overhead costs that are directly attributable to preparing the asset for its intended use.

1.7.2 Impairment

Intangible assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment test-

ing, the recoverable amount (i.e the higher of the fair value less cost to sell and the value in use) is determined on an individual assets basis unless the asset does not generate cash flows that are largely independent of those from other assets.

1.8 Provisions and contingent liabilities

The Company estimates the provisions that have present obligations as a result of past events and it is probable that outflow of resources will be required to settle the obligations. These provisions are reviewed at the end of each reporting date and are adjusted to reflect the current best estimates. The Company uses significant judgment to disclose contingent liabilities. Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. Contingent assets are neither recognized nor disclosed in the financial statements.

1.9 Impairment

Property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the CGU to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the Statement of Profit and Loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated depreciation) had no impairment loss been recognized for the asset in prior years.

1.10 Impairment of non-financial assets

The carrying amounts of the Company's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment considering the provisions of Ind AS 36 'Impairment of Assets'. If any such indication exists, then the asset's recoverable amount is estimated.

The recoverable amount of an asset or cash-generating unit is the higher of its fair value less costs to disposal and its value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. For the purpose of impairment testing, assets that cannot be tested individually are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets (the "cash-generating unit", or "CGU").

An impairment loss is recognized if the carrying amount of an asset or its CGU exceeds its estimated recoverable amount. Impairment losses are recognized in profit or loss. Impairment losses recognized in respect of CGUs are reduced from the carrying amounts of the assets of the CGU.

Impairment losses recognized in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized.

1.11 Functional & Foreign currency

Functional currency:

The functional currency of the Company is the Indian rupee. These financial statements are presented in Indian rupees.

Transactions and translations:

Foreign-currency denominated monetary assets and liabilities are translated into the relevant functional currency at exchange rates in effect at the Balance Sheet date. The gains or losses resulting from such translations are included in net profit in the Statement of Profit and Loss. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of the Balance sheet.

Transaction gains or losses realized upon settlement of foreign currency transactions are included in determining net profit for the period in which the transaction is settled. Revenue, expense and cash flow items denominated in foreign currencies are translated into the relevant functional currencies using the exchange rate in effect on the date of the transaction.

1.12 Income Taxes

Income tax expense comprises current and deferred income tax. Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted at the Balance Sheet date. Deferred income tax assets and liabilities are recognized for all temporary timing differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements as prescribed in Ind-AS-12. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. The Company does not offsets current tax assets and current tax liabilities on net basis, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

1.13 Employee benefits

1.13.1 Gratuity

The Company provides for gratuity, a defined benefit retirement plan ('the Gratuity Plan') covering eligible employees of FCS. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment with the Company.

The Company recognizes the net obligation of a defined benefit plan in its Balance Sheet as an asset or liability. Gains and losses through re-measurements of the net defined benefit liability / (asset) are recognized in other comprehensive income.

1.13.2 Provident fund

Eligible employees of the company receive benefits from a provident fund, which is a defined benefit plan. Both the eligible employee and the Company make monthly contributions to the provident fund plan equal to a specified percentage of the covered employee's salary. Amounts collected under the provident fund plan are deposited in a government administered provident fund. The companies have no further obligation to the plan beyond its monthly contributions.

1.13.3 Compensated absences

The Company has a policy on compensated absences which are both accumulating and non-

accumulating in nature. The expected cost of accumulating compensated absences is determined by actuarial valuation performed by an independent actuary at each Balance Sheet date using projected unit credit method on the additional amount expected to be paid / availed as a result of the unused entitlement that has accumulated at the Balance Sheet date.

1.14 Cash flow statement

Cash flows are reported using the indirect method, whereby profit/(loss) for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated.

Amendment to Ind AS 7:

Effective April 1, 2017, the Company adopted the amendment to Ind AS 7, which require the entities to provide disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the Balance Sheet for liabilities arising from financing activities, to meet the disclosure requirement. The adoption of the amendment did not have any material impact on the financial statements.

1.15 Other income

Other income is comprised primarily of interest income. Interest income is accounted for on accrual basis.

1.16 Investment

Investments are classified into non-current and current investments based on the intent of management at the time of acquisition. Fair Market Value for the purpose of valuation of investment in all companies including subsidiaries in compliance of the provisions of Companies Act, 2013 and applicable Ind AS is as per the Valuation Report taken from the Registered Valuer as prescribed u/s 247 of the Companies Act, 2013 read with Companies (Registered Valuers & Valuation) Rules 2018.
